

ATTENTION ALL CONTRACTORS/INSPECTORS

The Wayne County Builders Association and the City of Richmond will be hosting a one day workshop on the new 2008 Indiana Residential Code. This Code became effective on April 16, 2008 and is the current standard for all new residential construction and remodeling in the State of Indiana. If you work in the construction industry, it is extremely important that you keep abreast of current regulations. Please plan on attending.

Date: November 6, 2008

Time: 8:30 AM to 4:30 PM

Location: Richmond City Building Council Chambers
50 North 5th Street
Richmond, IN 47374

Cost: \$10.00 for members of the Indiana Builders Association and the Indiana Association of Building Officials. \$25.00 for non-members.

Indiana Residential Code Amendments are included in the cost of registration.
Lunch is on your own.

The instructor for this class is Mr. John Weesner. Mr. Weesner is a code consultant, former director of Technical Services for the Indiana Department of Fire & Building Services and serves as a code development committee member.

To ensure enough hand-outs for this workshop, pre-registration is required. To register, please contact the City of Richmond, Permits & Inspections office at (765) 983-7341 before October 30, 2008.

We look forward to seeing you there!
